FREQUENTLY ASKED QUESTIONS

♦ How do I apply for my wage replacement payment from my Worker Wellness Program Account ?

To submit an application for a wage replacement payment from your Worker Wellness Program ("WWP") Account you will need to register on Zenith's Participant Portal. Go to edge.zenith-american.com - click on login - click on participant edge - click on register and fill out all applicable information. Once you are registered and logged in you can select Worker Wellness Program under the menu to see the dollar amount you have available. Click on the application button and fill out the application to request your payment. The payment will be direct deposited into your bank account.

♦ Is it a requirement to be on the Out of Work List when I get laid off?

The State of Minnesota requires all Union Members to be on the Union's Out of Work List when they are laid off. This is a requirement in order to get paid unemployment. The Unemployment Office does audit our Out of Work List. If a Union Member who is collecting unemployment benefits is not on there, future benefits could be denied and past benefits might need to be paid back. The Out of Work list changes the 1st working day of every quarter. Your name does not automatically get carried over to the new list - you need to call in each quarter!

♦ Why am I getting charged a copay on my prescriptions?

There is a \$200 Calendar Year Deductible Per Participant for medical expenses, which includes prescriptions. Once this deductible has been met, Generic Drugs are covered at 100% (up to a 90-day supply at one time), Brand Drugs are covered at 80% (up to a 90-day supply at one time), and Specialty Drugs are covered at 80% (up to a 30-day supply at one time). The Calendar Year Major Medical Out-of-Pocket Maximum, which includes regular prescriptions, is \$4,000 Per Participant. The Calendar Year Specialty Prescription Out-of-Pocket Maximum is \$1,000 Per Participant.
